

Principal's Message

As I write this, the first skiff of snow has settled on the ground as a slushy mess and, just like that, the world seems to have slowed down. For us here at Catholic Central, this seasonal change typically represents the end of quarter one and a transition into quarter two, which starts in November (12th) and runs until the end of January. With it, quarter two brings us such moments as Advent, the Advent Mass (wherein all the Santa's Anonymous hampers will be blessed and then delivered), Christmas, and the start of a new year! It is obvious that there are many opportunities in quarter two for renewing our commitment to our relationship with God and being accountable to those who need us.

Beginning on October 28th, our division began praying a Novena for Catholic Education, which will culminate on November 5. These nine days allow us to focus our prayers on the gift of Catholic Education prior to Catholic Education Sunday on November 7. During the weekend masses, new board trustee members and the senior administration team will bring greetings to the greater community. We are grateful to all those who continue to support our Catholic schools! As an important side note: congratulations and a warm welcome to Trustees Cote, Doherty, Dolan, Ellefson, Gibb, Machacek, Mombourquette (Board Chair), O'Donnell, and Spitzig (Vice Chair)!

And what would November be without acknowledging the red poppy that is a symbol of remembrance, hope, and a peaceful future? This simple flower reminds us to stop and remember those who gave their lives for us, who, because of their efforts and sacrifices, allow us to live in a country that values freedom. This year,

Remembrance Services were held in classrooms on the last instructional day of the quarter (November 3), as we will be entering into exams the week prior to Remembrance Day. On November 11, we will remember.

The new quarter will begin on November 12, which will be a chance for us to regroup and start over with new classes and new opportunities!

- Mrs. Polec

A Remembrance Day Prayer

Bless us in your service,
and help us to follow Jesus Christ,
who is our Saviour and our Lord
for ever and ever.
Amen.*

*'I will restore you to health and heal your wounds,
declares the Lord.'* Jeremiah 30:17

November 2021

Dear Sisters and Brothers in Christ,

The fourth wave of this pandemic continues to challenge us. In the midst of illness, uncertainty and insecurity, these prophetic words of Jeremiah resonate deeply: “I will heal your wounds,” says the Lord. “I will restore you to health.” These words offer comfort and hope to our Catholic school communities here in Alberta as they celebrate Catholic Education Sunday on November 7, 2021. In solidarity with our fellow Ontario Catholic educators, we embrace the theme: **Catholic Education: Rebuild, Restore, Renew Together.**

The difficult circumstances of these past two years have placed upon our families the heavy burden of worry and uncertainty as they strove to support the educational learning of their children. Our Catholic schools worked closely with parents through the dedicated efforts of trustees, superintendents, teachers and staff, all deeply committed to fulfilling the vision of Catholic education for more than 183,500 students in 450 schools across the province of Alberta. The many acts of sacrificial love made for the sake of our students give witness to our faith, and serve to rebuild, restore and renew Catholic education. Together, our parish and school communities encourage parents to continue to choose a Catholic school for their children. We are grateful for the treasure that is Catholic education, and are eager to share it.

Catholic Education Sunday is an annual event that serves to celebrate the important and critical role that our Catholic schools play in the province of Alberta. It provides us with an opportunity to recognize the vibrant faith that is the foundation of our Catholic schools, and encourages us to reflect with gratitude on the countless blessings to be found within the Catholic educational community. Catholic Education Sunday also serves to challenge each of us to step forward as advocates, inspired and emboldened to ensure the future of Catholic education as an essential dimension of the mission of the Church.

We, the Bishops of Alberta, recognize the vital role of Catholic education in the life and future of the Church and society. We are deeply committed to ensuring the integrity of our Catholic schools and the gift of faith offered to our students and their families. With hope and boldness, we must rebuild, restore and renew together the wonderful legacy of Catholic education.

As the pandemic continues to challenge us, we encourage all who have worked tirelessly to promote Catholic education to stay strong, continue your good work, pray for inspiration and guidance, and be strengthened in the promise offered to all believers: “And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast”. (1Peter 5:10)

In this Year of St Joseph, during May’s Catholic Education Week, we consecrated all of Alberta’s Catholic schools to the loving care of St Joseph. As we continue to ask for the intercession of our patron saint, we call all the faithful across our province to unite in a novena prayer for our Catholic Schools.

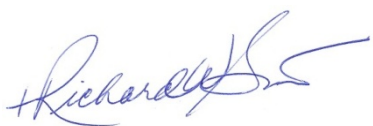

https://docs.google.com/document/d/1AStZtrZHjFCgLJEbd-x_F4WeioS96MA0/edit

Publicly funded Catholic education is a gift which must not be taken for granted. Our commitment to Catholic education is steadfast. Together with the Alberta Catholic School Trustees’ Association (ACSTA), the Council of Catholic School Superintendents of Alberta (CCSSA) and Grateful Advocates for Catholic Education (GrACE), we shall continue our efforts to ensure the future of Catholic education in our province.

United in prayer, let us humbly and confidently ask our loving God to rebuild, restore and renew all of our Catholic schools through His providential care.

Yours sincerely in Christ,

Together on the Journey

“Desire therefore my words; long for them and you will be instructed. Resplendent and unfading is Wisdom, and she is readily perceived by those who love her; and found by those who seek her.”

Wisdom 6:11-12

School: St. Catherine

ST. CATHERINE OF ALEXANDRIA

Catherine was born around 287 in Alexandria, Egypt. She was of noble birth, possibly a princess. She was educated and an avid scholar. When the emperor Maxentius began persecuting Christians, Catherine visited him to denounce his cruelty. Maxentius summoned fifty orators and philosophers to debate her. However, Catherine was moved by the power of the Holy Spirit and spoke eloquently in defense of her faith. Her words were so moving that several of the pagans converted to Christianity and were immediately executed. Catherine was eventually ordered to be executed on a breaking wheel. When Catherine was presented before the wheel, she touched it and a miracle occurred that caused the wheel to shatter. Unable to torture her to death, the emperor simply ordered her beheaded. One account claimed that angels took her body to Mt. Sinai. In the sixth century, the Emperor Justinian ordered a monastery established in her name. The monastery, Saint Catherine's, remains to this day and is one of the oldest in the world.

The Gifts of the Holy Spirit

St. Catherine was known for her wisdom which is one of the seven gifts of the Holy Spirit. These gifts are bestowed on the faithful when they receive the Sacrament of Confirmation. The gifts allow the faithful to become God's special instruments in this world.

Isaiah foretold that the Holy Spirit would rest upon the promised Messiah, Emmanuel, and that he would possess wisdom and understanding, counsel and fortitude, knowledge, fear of the Lord (Isaiah 11:2), and piety. As Jesus was blessed with these gifts by his Father, every believer is blessed with the same gifts by the Holy Spirit (1 Corinthians 12:8-10).

Wisdom is the first gift of the Holy Spirit. It is the ability to exercise good judgment. It is grounded in common sense and comes from life experience, thoughtful reflection, and learning life's lessons in "The School of Hard Knocks." Wisdom distinguishes between right and wrong, seeks and upholds truth and justice, and balances personal good with the common good.

Understanding is the gift of intelligence and enlightenment. It is the ability to perceive, comprehend, and interpret information; to have insight and discern meaning.

Counsel is good advice. It is the ability to teach and inform, guide and direct, warn and admonish, recommend and encourage. The Holy Spirit offers this special gift to parents, teachers, coaches, mentors, advisors, supervisors, elders, and the like. Counsel is not only the ability to give good advice, but to receive it as well.

Fortitude is an unwavering commitment to God or a proper course of action, and it shows itself in moral strength, courage, determination, patient endurance, long-suffering, a resolute spirit, stamina, and resiliency.

Knowledge is the ability to study and learn; to acquire, retain, and master a wide spectrum of information; and to put it to good use for constructive purposes.

Fear of the Lord is awe, reverence, and respect for God. It downplays human self-sufficiency and acknowledges that everything comes from God. Consequently, those who "Fear the Lord" gladly offer their praise, worship, and adoration to God alone.

Piety is the only gift not part of Isaiah's original list. Piety is personal holiness, the ability to live a decent life, free of sin, devoted to God, and obedient to God's will.

“If any of you is lacking in wisdom, ask God, who gives to all generously and ungrudgingly, and it will be given you.”

- James 1:5

Feast Days and Celebrations November 2021

- 1 All Saints' Day
- 2 All Souls' Day
- 11 Remembrance Day
- 14 World Day of the Poor
- 25 Memorial of St. Catherine of Alexandria
- 28 1st Sunday of Advent

As you journey with St. Catherine this month...

WEEK ONE

The internet provides us with access to great knowledge and some of the world's best teachers. Take some time to learn more about St. Catherine and her life. What is something that you've learned about St. Catherine that you didn't know before?

WEEK TWO

In her time, St. Catherine spoke against cruelty and stood up for those who were being persecuted. In our day, we pause this week to remember the sacrifices of those who have served our country, for those who have been victims of aggression and inhumanity, and to pray for peace. Take time this week to make a note and pray about how you can participate in bringing God's peace into the world.

WEEK FOUR

The first Advent candle symbolizes hope. Each time a candle is lit we are one step closer to Christmas. We await with hopeful anticipation the celebration of the birth of Jesus. As we light the first Advent candle, may we put aside all worry and stress and allow our hearts to be open for the day when we celebrate Jesus' birth. What are you hopeful for this Advent season?

WEEK THREE

God answered Catherine's prayers, but not always in ways she expected. Are we prepared to receive God's answers to our prayers, even when they're not what we're expecting? If we are, we will receive, like Catherine, even more joy than we imagined. Write a prayer, or say a prayer in your heart asking God for His help with any problems you are having.
