

Principal's Message

As we step into November, it's time to reflect on the achievements and milestones of the past quarter. It has been a period of growth, collaboration, and dedication to the start up of a very promising school year. Here are some highlights of our four pillar from quarter 1:

- **ACADEMICS:** we have come to the end of quarter 1 classes on November 1. On average, students that are enrolled in full-day classes, should be attaining 10 credits. Please ensure you have checked your child's PowerSchool for their progress over the past quarter. Additionally, it would be important to double-check your child's quarter 1 exam schedule to know when, what time, and where your child will be writing exams. Note that if your child(ren) is in a non-core class (ie: the exam is NOT listed on the schedule), they do not need to attend on exam days. The first day of quarter 2 will be November 13, 2023.
 - **FAITH:** we have had many of our teams attend Friday afternoon masses as a part of their faith journey. Additionally, the massive undertaking that is Santa's Anonymous Project has begun. Should you wish to make a donation to Santa's Anonymous or sponsor a hamper, please reach out to Mr. New at newm@holyspirit.ab.ca for information or Mrs. Wilson at wilsont@holyspirit.ab.ca to make a donation.
 - **FINE ARTS:** the cast list for this year's production of *The Wizard of Oz* has been finalized. Thank you to all those who auditioned. There are many more roles to come including the opportunity to work backstage as a crew member or with costumes, hair, and makeup, as well as with front of house.
 - **ATHLETICS:** it was a busy start up with cross country, golf, football, and volleyball. Congratulations to all who

represented CCH Athletics in zones and provincials for cross country and golf. Football and volleyball will be wrapping up their seasons in the next couple of weeks. Other sports like curling and basketball are now gearing up!

- CLUBS AND OTHER STUDENT GROUPS: Athletic Leadership, Ambassador's/ International Club, Book Club, Student's Council, Robotics Team, and Yearbook are all up and running. Should any students wish to participate in any of these, please do not hesitate to ask about meeting dates/ times at either campus office.

It certainly is a busy time here at quarter turnover but what would November be without acknowledging the red poppy that is a symbol of remembrance, hope, and a peaceful future? This simple flower reminds us to stop and remember those who gave their lives for us, who, because of their efforts and sacrifices, allow us to live in a country that values freedom. This year, Remembrance Day and All Saints Day Services will be held in classrooms on Wednesday, November 1 as we will be entering into exams the week prior to Remembrance Day. We will remember.

Many blessings and opportunity for Remembrance during the month of November!

- Mrs. Polec

REMEMBRANCE DAY
Let's We Forget

 This block contains a composite image. On the left is a black and white portrait of a young man in a military uniform. To his right is a large, vibrant red poppy flower. The background is a soft-focus field of red poppies. On the right side of the image, the poem 'In Flanders Fields' is written in white text.

In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

WELCOME to CCH!

My name is **Jordan Hoffos** and I am excited to start my journey into CCH as a Family School Liaison Counsellor. I will be at CCH on Monday's (West) and Wednesday's (East) for additional counselling support. I look forward to connecting with everyone soon and to learn more about the students within CCH. Please don't hesitate to stop by the counselling office on these days to introduce yourself, as I will do my best to be present around the school to meet all of you! Some things about myself:

I enjoy working within schools because I feel it is a great opportunity to build connections with students to help them reach their goals in life. I enjoy playing sports, especially golf and hockey. I also coach basketball within the elementary school I work in. I have moved into my new home in Lethbridge with my amazing wife Morgan, who is a teacher in Coaldale, and we have a very sassy puppy whose name is Tilley. We are very passionate about the work we do in schools and supporting students in reaching their full potential.

We also welcome **Mr. Adam Urbanczyk** back to CCH. He will be working on Campus West as our Head Caretaker.

Hello!

You may be curious about what is happening this year for Santa's Anonymous. We have had our first student meeting and had 30 students volunteer to participate with more still joining each day. This year we will be continuing traditions like the 24 hour student famine (November 30 - December 1) to help raise money for our cause. Our pumpkin drive raised \$750! We appreciate the community's continued support with that endeavor. Other fundraisers to keep an eye out for are our annual food drive challenge and a bottle drive we will be having on November 18th. More information on times and location will be coming.

We appreciate the whole community's support of these traditions as Santa's Anonymous has helped hundreds of families over the years. Updates will continue to happen on the daily bulletin. If your child is interested in participating it's not too late, we'd love to have them join us!

God Bless
Santa's Anonymous CCH Team

The same 30-minutes prior to the exam rule applies to these exams.
- Should your child not have an exam to write, he/ she is not expected to attend. The school will be open during exam week but teachers and support staff are helping to administer and facilitate exams at this time.

International Students 2023-24

REO (3-Month Student)
Ebina, JAPAN

I chose to come to Canada, because I want to learn about the culture and had the opportunity to go. In my free time, I like to play soccer, basketball and baseball. I'm looking forward to celebrating Christmas with my host family.

RUNA (3-Month Student)
Kanagawa, JAPAN

I'm in grade 10 in my high school in Japan. My goal is to improve my English while I am in Canada.

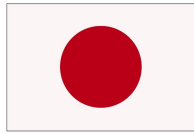

GENTA (3-Month Student)
Yokohama, JAPAN

I chose to come to Canada, because I have been here twice and I had a wonderful experience. In my free time, I like to play games with my friends or hang out. I have already been to an amusement park, football games and camping with my host family. At school, I like to talk to interesting friends.

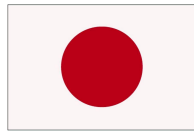

SAKI (10-Month Exchange Student)
Sendai, JAPAN

Hello! My name is Saki and I'm in 12th grade at CCH. In my spare time, I like to play bass guitar and listen to music. While I am in Canada, I would like to take pictures of nature.

TAITO (10-Month Student)
Yokohama, JAPAN

I chose to come to Canada because there are a lot of immigrants. I would like to meet students from different cultures and learn about cultural differences. I love playing the jazz saxophone and listening to jazz music. I also watch videos of cars and motorcycles on YouTube. I am looking forward to making lots of new friends and talking a lot!

YUSUKE (3-Month Student)
Fujisawa, JAPAN

I chose to come to Canada, because there is a lot of nature here and I wanted to learn about multiculturalism. In my spare time, I often play music from my favourite band. While I am here, I want to get involved with a lot of people and learn a lot. What I like about school so far is that the cafeteria food is delicious.

UYEN (3-Year Student)
Hue, VIETNAM

I chose Canada, because I like the weather. In my free time, I like to play soccer and other sports. This year, I would like to play sports more often (like soccer). I feel like studying at CCH is very good for me and I really enjoy studying here, and seeing that the teachers are willing to help international students like us.

ERIK (3-Year Student)
Port of Spain, TRINIDAD & TOBAGO

I chose to come to Canada, because it offers better opportunities and I like the culture. My favourite pastimes are playing video games and listening to different genres of music. In the future, I look forward to attending university here. What I like about CCH is that the classes are easy going and the teachers are friendly.

THI (pronounced "TEE") (3-Year Student)

Ha Tien City, VIETNAM

I chose to come to Canada because I wanted to choose a new school to develop for the future, I wanted to change to a new learning environment so I could learn more about many different cultures. In my free time, normally I will choose to go out or eat with friends, but when I can't go out, playing a chill game and listening to music will help me be happy. For the future, I am aiming to have a stable job, but I have another plan after completing my study program in Canada and returning to my country to work. CCH is really good with many friendly teachers and moreover the school also organizes many activities for students to experience and participate in. However, moving between the two school campuses still makes me tired, partly due to the weather.

BERTA (10-Month Student)

Madrid, SPAIN

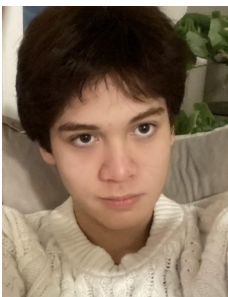

I chose to come to Canada because I thought it was better than the United States. My favourite pastime is probably hanging out with my friends and going to the gym. While I am here, I would like to improve my English and make friends. I like everything about my school experience so far. I'm really enjoying being here.

KOYUKI (3-Year Student)

Kobe, JAPAN

This is my second year studying at CCH. My goals are to learn about culture in Canada and to mature as a student. In my spare time, I like drawing and listening to music. This year, I would like to enjoy skiing! What I like about school is being able to spend time with my friends.

IGNACIO (10-Month Rotary Student)

Santiago, CHILE

I chose to come to Canada because I really like nature, and I believe Canada has some of the most beautiful places in the world. Besides I like cold weather, although I think it will be a little too much for me, hahaha! In my spare time, I love to hang out with friends and run. While I am here, I would like to ski and with any luck get to see the Northern Lights. I like that because of the quarter system at CCH, because you get to know more people than you would get to in a regular system.

November

Build! Pilgrims of Hope

*"Declare his glory among the nations,
his marvelous works among all the peoples."*

Psalms 96:3

St. Frances Xavier Cabrini 1850-1917 (Feast Day: November 13)

Maria Francesca Cabrini was born on July 15, 1850 in what is now Lombardy, Italy, the youngest of thirteen children in a farming family. As a young person, she dreamed of becoming a missionary and achieved a teaching certificate. In 1870, she became the headmistress of an orphanage, and in 1870, took her religious vows. It was at this point that she took the name Xavier, to honour the patron saint of missionaries, St. Francis Xavier. In 1880, along with several other religious sisters, she formed the Missionary Sisters of the Sacred Heart of Jesus, and became known more popularly as Mother Cabrini.

The order was very active in Italy, supporting orphans and providing education and housing, which led to Mother Cabrini being asked by the Pope to migrate to the United States to support the growing Italian-American population. While she was initially resistant to this idea, Mother Cabrini did emigrate in 1889 to New York. While there, she and her sisters established schools, orphanages, and hospitals in a time before governmental support for these types of institutions. She became an American citizen in 1909, and when canonized in 1946 became the first American saint.

"Building" In Our Schools

Influenced by the book "The Dot", International Dot Day (a global celebration of creativity, courage, and collaboration) is held yearly on September 15th. *The Dot*, a book written by Peter H. Reynolds, is a story of a caring teacher who dares a doubting student to trust in her own abilities by being brave enough to "make her mark." Standing at 4 feet high, St. Michael's Pincher Creek's grade 7 homeroom replicated the faith plan image using a variety of assorted sizes and coloured dots. What a beautiful faith-building expression of creativity!

Corporal Works of Mercy — Bury the Dead —

Did you know that this Corporal Work of Mercy is the only one not found in Matthew 25? Most often, reference is made to Tobit. Tobit risked his own life to ensure that his fellow Israelites received a proper burial during a time of oppression. We also know about the importance of human dignity as Catholics. Jesuit Father James Keenan has noted that "the significance of burying the dead is then rooted in the profound respect that Christians have for the human body. The human body created and redeemed by God is to be raised up by God in glory."

November is a month where we are often more conscious of praying for the deceased and those who are grieving, as we observe both "All Souls' Day" and "Remembrance Day". Through our prayers and actions, we show our respect for life, which is always a gift from God, and seek to comfort those who mourn.

What might some practical suggestions be?

- Be faithful about attending prayers, wakes, and funerals
- Spend time with those who are grieving or who have experienced loss
- Go with friends and relatives to visit the cemetery
- Offer daily prayers for those with terminal illnesses and for those who have died
- Send Mass cards to families of those who have died

Pope's Prayer Intentions - Let us pray for the Pope that, with the help of the Holy Spirit, he may continue to accompany in the faith the flock entrusted to him.

Catholic Social Teaching — Subsidiarity —

Through the course of this year, we will look each month at one of the Catholic Social Teachings. The aim of Catholic Social Teaching is to shine the light of the Gospel on our contemporary world, allowing us as disciples of Christ to look at the world around us with new eyes, and to take action.

Mother Cabrini was well known for her works of service, in a time when the government did not provide the same levels of funding and structure as it does today. She saw a need, assessed the need, and chose to take the actions that she could to try to address the need. When we act in this way, seeking to create solutions with those around us, we are engaging in subsidiarity.

"The principle of subsidiarity allows everyone to assume his or her own role in the healing and destiny of society. Implementing it, implementing the principle of subsidiarity gives hope, it gives hope in a healthier and more just future." (Pope Francis)

The basic premise of subsidiarity is that local groups, associations, and institutions are often in the best position to deal with local issues, and should be supported by higher orders of government in addressing them. We often see this principle applied by organizations such as Chalice, that seek to work together with those at the local level in supporting development programs.

Gospel Readings

All Saints Day

Gospel Reading: Matthew 5:1-12a

"Rejoice and be glad, for your reward will be great in heaven." — Matthew 5:12

Today is a great day of hope in the Church. We remember and celebrate all the men and women who have gone before us... the saints. Many of them had difficult lives, suffering for their love and faith in Jesus. All of them lived lives of great example. They showed us how to live out the beatitudes (also from today's Gospel). They taught us how to pray and live lives pleasing to God. May we be inspired by them and strive to also live lives that will be pleasing to God.

As a family, learn something new about a saint you didn't know much about before. For example, read about St. John Vianney, St. Benedict, St. Rose of Lima, St. Maximilian Kolbe, St. Lucy, or St. Juan Diego, just to name a few.

Prayer:

Dear Lord, thank you not only for your Son who lived the perfect example in life, but also for all the saints who continue to reinforce Jesus' teachings.

31st Sunday in Ordinary Time

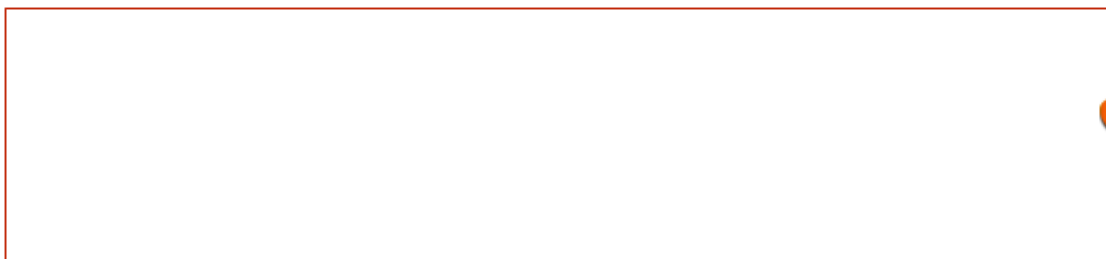

Gospel Reading: Matthew 23:1-12

"...do not follow their example. For they preach but they do not practice." — Matthew 23:3

Have you ever played a board game with someone who kept changing the rules so they would win? In this Gospel, Jesus warns the people about some religious leaders who were changing God's rules for the game of life. God's rules are simply to love him above all things and to love each other as we love ourselves. But these leaders, to make themselves look important, added more rules that were almost impossible for people to obey. And to make it even worse, they didn't even follow their own rules!

Here is a lesson we can learn from this Gospel. To be a good leader—one who is worth following—people need to see that we practice what we preach and that what we preach is good and honorable. This is what the word "integrity" means—what we say with our actions matches what we say with our words.

Do you have a younger brother or sister, cousin, or friend who looks up to you? What are some things you can do to give them a good example to follow?

Prayer:

Dear God, please help me to follow your rules so I can help others follow them, too.

32nd Sunday in Ordinary Time

Gospel Reading: Matthew 25:1-13

"Therefore, stay awake, for you know neither the day nor the hour." — Matthew 25:13

If you were going to run a marathon, what are some things you would have to do ahead of time? Do you think you would be prepared to run such a long distance if each day for a week before the race you only ran around the block and then took a nap? Do you think your feet would be able to carry you the whole distance if you only had flip flops to wear?

In the Gospel today, Jesus uses a story to help us understand how important it is to be ready to meet God. We need to prepare in advance. If each day we try a little harder to follow Jesus' example of love, we will grow in holiness and look forward to seeing God face to face one day.

What is one thing you can do today to become more like Jesus?

Prayer:

Lord, help me to prepare my heart to become more like yours – filled with love.

November 19, 2023

33rd Sunday in Ordinary Time

Gospel Reading: Matthew 25:14-30

"Well done, my good and faithful servant." — Matthew 25:23

If you won \$100 in a contest, what would you do with it? Would you spend it on something you want, save it, or give it away? Each of these options can be good. You could spend it on something that would help you with your school work (like a calculator), put it in the bank to earn interest (increasing its value), or donate the money to someone in need. In each case, your money would be well spent. But what if you decide instead to dig a hole in your backyard and bury your \$100? That would be totally useless!

In our Gospel today, Jesus tells a story to help us understand that he has given each person a winning prize—talents that we can use to help the world know God's love. If we choose not to use these talents, it would be like burying a \$100 bill!

What special talent has God given each member of your family?

Prayer:

Lord, help me to give you honor and glory by using the talents you have given me.

November 26, 2023

Our Lord Jesus Christ the King

Gospel Reading: Matthew 25:31-46

"Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me." — Matthew 25:40

Most people have never seen Christ in a physical way, where they could talk to him and hear him talk back to them. In today's scripture, however, Jesus tells us that he is present in the people who may be the hardest to look at. Who are the "least" of our brother and sisters? He might be the person at school who isn't very popular. She might be the person at work to whom no one reaches out. He may even be the person who lives next door to you. Jesus wants us to find ways to love him through those who may not be easy to love, just as he did.

Is there someone at school or work who people shun? What can you do to be the face of Jesus for that person?

Prayer:

Dear Lord, sometimes I judge people by what they look like or by their possessions. Please give me the grace to love all people as you taught us through your example.

The Lethbridge School Division and Holy Spirit Catholic School Division would like to warmly welcome parents, students, and staff to an evening of insight and collaboration. A collection of panel members with multidisciplinary viewpoints will be offering perspectives about youth and digital wellness. This event is intended to deliver guidance and support for families and individuals who are navigating parenting in the digital age. The panel members will be answering questions that have been submitted by parents (using the attached QR Code), and delivering their professional insights.
