

# Faith in Action

A “tour” of the program  
in text and photos ...

# What's it all about?

As part of the Religious Studies 35 program,  
every student at CCHS  
contributes 40 hours of volunteer time  
to the community.

# When ?

Your volunteer time  
can be completed  
anytime from the end of your  
Grade Eleven school year  
until the end of the quarter in  
which you are taking “RS35”.

# More about when :

Forty hours of “release time” are provided during the time you are enrolled in RS35.

That means...

You can be at your volunteer site  
from Monday to Thursday,  
instead of in your RS classroom,  
for about three weeks.

( Fridays are regular class days. )

# FAITH IN ACTION

? ? ?

Each of us  
is called  
by Christ  
to  
“love one  
another  
as I have  
loved  
you”.

Ask any one of the hundreds

“faith in action” !
