

CATHOLIC CENTRAL HIGH SCHOOL

ACADEMIC AWARDS

Catholic Central High School hosts an annual academic awards ceremony usually in mid-October. In general, the school's awards policy is designed to encourage every student to be the best he or she can possibly be. To this end, there are a number of occasions in the school year when awards are presented in different spheres of school activities. In spring, for example, awards are presented for athletic achievement. At another occasion, we highlight students who have given outstanding service. The academic awards ceremony then has to be seen in the wider context of a wide-ranging awards program.

PHILOSOPHY

The Holy Spirit School Division recognizes the worth of each student in the eyes of Christ and seeks to develop the student's potential to the fullest extent possible. Catholic Central High School has attempted to develop an awards policy that is consistent with this central philosophy, that promotes the objectives of a sound Catholic education, and that provides an incentive for and recognition of student effort and achievement.

The criteria for awards and scholarships are designed to recognize and reward the most deserving students in all areas of our curricular program. We have attempted to avoid an elitist approach by making it possible for any student to aspire to achieve distinction in one area or more.

At the same time, it is also our belief that an outstanding student who achieves highly in a number of areas should not be denied the recognition that he or she deserves.

FUNDING

All awards are funded by community organizations or individuals with the exception of the Rutherford Scholarships that are funded by the Government of Alberta. In addition, a CCHS Trust Fund has been established with its main objective being the funding of awards and scholarships as and when necessary. A tax exemption receipt is available on request for all donations.

It should be noted that because of funding, scholarships and awards are subject to change or withdrawal and the criteria and other details may change from year to year. Also, the Awards Committee reserves the right to withhold an award in any given year if in their opinion no candidate meets the criteria for the award.

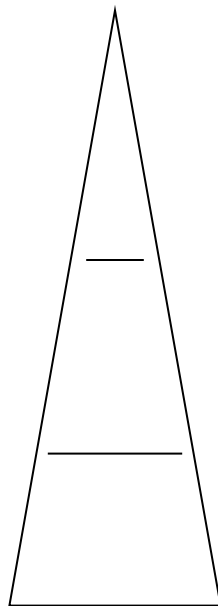

ACADEMIC AWARDS COMMITTEE

The Academic Awards Committee is generally responsible for all matters pertaining to school awards and scholarships. It supervises the arrangements for the annual Awards Ceremony, arranges for the funding for school awards, and selects the recipients for awards on the basis of the criteria for each award.

The committee is responsible to the Principal and consists of an Associate Principal and/or Academic Guidance Counsellor who acts as chairman, and two faculty representatives. It is assisted in its function by the counselling secretary and the school's accounts clerk. Where necessary, the committee will seek nominations from members of staff.

ACADEMIC AND LEADERSHIP AWARDS

Catholic Central High School recognizes the achievements of students in academic and leadership areas in several ways. The diagram below summarizes the basic policy on which these awards are made.

TOP AWARDS AND SCHOLARSHIPS

- value over \$100.00
- leadership qualities
 - top academic achievement
 - provision for future scholarship

MIDDLE AWARDS

- value between \$50.00 and \$100.00
- general areas
- departmental awards

ACHIEVEMENT AWARDS

- certificates, plaques, honor pins
- specific courses
 - recognition of effort/achievement in specific areas

VALEDICTORIAN

Perhaps the single greatest distinction that a student can earn in his/her career at school is the honor of being selected as Valedictorian of the graduating class. The selection has no monetary value but is the traditional manner in which outstanding academic ability and future potential is recognized by post-secondary institutions.

The Valedictorian's chief duty is to deliver the valedictory address during the annual Graduation exercises. While the valedictory address is a personal expression, it is also expected to represent the collective philosophy and thinking of the class, a reflection of its achievements, and a statement of its aspirations for the future. To be eligible for consideration for this designation Students must demonstrate leadership and service to the school community and provide service to the community at large. The selection is based on the straight average achieved by the student on the following criteria:

1. Religious Education 35 or highest level of Religious Education completed to this date.
2. Any four of the following:

Mathematics 30
Mathematics 31
English 30-1
Biology 30

Chemistry 30
French Language Arts 30-1
Physics 30
Social Studies 30-1

Calculations for academic courses in quarters one and two will be based on final blended marks. Calculation for academic courses in quarter three will be based solely on school awarded marks. All courses will have to be taken at Catholic Central High School or through Trinity Learning Center.

ALEXANDER RUTHERFORD SCHOLARSHIPS

These scholarships are awarded annually by the Government of Alberta from the Heritage Fund. The criteria are:

FOR COURAGE

Lord Jesus, teach me to be generous;
Teach me to serve you as you deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labor and not to seek reward,
Except that of knowing that I do your will,
Amen.

-St. Ignatius Loyola-
